The Membership Fee for Introductory (Temporary) Membership

There are 2 different Introductory (Temporary) Membership fees.

Both allow access to the Club for a period of 1 month.

Introductory (Temporary) Membership for Clubhouse Members (£30 fee)

Clubhouse Membership is defined below. Clubhouse Members do not have access to water sports at the Royal West. The Introductory (Temporary) Membership fee for those expecting to become Clubhouse Members is £30.

Introductory (Temporary) Membership for those wishing to participate in sports (£50 fee)

A person taking out this type of Membership could, depending on their situation, become a Country, Family, Ordinary or Student Member at the end of their Introductory (Temporary) Membership. During the period of their Introductory (Temporary) Membership as a Sporting Member they have access to all facilities including sporting facilities at the Royal West. This also includes any tuition that is available. The Introductory (Temporary) Membership fee for those wishing to participate in sports is £50.

You may only use the facility for Introductory (Temporary) Membership once.

Membership Types for Full Members

Membership Types and fees 23/24

Ordinary ----- £264 for the full 12 months (£22 per month)

Family ----- See description below

Student ----- £75 for the full 12 months (£6.25 per month)

Country ----- £171 for the full 12 months (£14.25 per month)

Clubhouse - £78 for the full 12 months (£6.50 per month)

The fees stated above are reduced for New Members based on the date they are offered a full membership. The Subscriptions Year at RWSABC starts in April and ends in March of the next year. Example: Someone wishes to join RWSABC starting their Introductory (Temporary) Membership on 1 July. They are then offered and decide to take out full Ordinary Membership on 1 August. On 1 July there are 9 months remaining in the Subscription Year so this person would only be asked to pay £198 for the remainder of the Subscription Year (£198 = 9 months at £22 per month). The £50 already paid for the Temporary Membership is credited towards this amount so only £148 would still need to be paid.
